REPUBLICANS' RECKLESS SPENDING PLAN WOULD COST UTAH JOBS AND MAKE UTAH COMMUNITIES LESS SAFE

There is no disagreement that we need to cut spending. We believe that we need to do it in a responsible way so that we live within our means and can invest in the future, out-building, out-educating, and out-innovating our competitors in the world economy. But as the economy continues to recover from the deepest recession in a generation, we cannot afford to make dramatic and indiscriminate cuts that would undermine Utah jobs and public safety. The reckless Republican spending plan would do just that - an estimated 6,400 Utah jobs would be lost if H.R. 1 is enacted into law, and thousands of Utah families would be less safe.

REPUBLICAN SPENDING PLAN WOULD DESTROY UTAH JOBS

- Independent, non-partisan analysis has found that H.R. 1 will cut 700,000 jobs through 2012, with Utah set to lose more than 6,400 jobs.
- More than 900 community health center jobs will be eliminated in Utah if the House-passed bill is enacted.

REPUBLICAN SPENDING PLAN WOULD HURT EDUCATION IN UTAH, MAKE UTAH'S WORKFORCE LESS COMPETITIVE

- Under H.R.1, the average Utah undergraduate with Pell college tuition assistance will see their assistance cut by more than \$650.
- More than 1,400 Utah children will lose access to Head Start, an early education program that is proven to help students complete high school.
- Utah could lose nearly \$11 million in job training investments under H.R.1.

REPUBLICAN SPENDING PLAN WILL MAKE UTAH LESS SAFE

- H.R. 1 reduces Byrne Justice Grants for Utah by approximately \$1.2 million.
- H.R. 1 reduces Utah's homeland security investments by nearly \$800,000, hurting local law enforcement's ability to keep Utah families safe.
